

The logo features the letters 'M&M' in a large, teal, sans-serif font. The ampersand is smaller and positioned between the two 'M's. To the right of 'M&M' is the year '2022' in a bold, orange, sans-serif font. Behind the text is a stylized graphic of a mountain peak in light blue, with a row of green evergreen trees in front of it. Below the 'M&M 2022' graphic, the words 'MICROSCOPY & MICROANALYSIS' are written in a bold, dark blue, sans-serif font, stacked in two lines.

M&M 2022
**MICROSCOPY &
MICROANALYSIS**

A wide-angle photograph of the Portland, Oregon skyline across the Willamette River. The image shows several modern glass skyscrapers and older brick buildings. In the foreground, the green steel truss structure of the Astoria-Megler Bridge is visible on the left. A white and blue ferry is docked at the riverbank in the middle ground. The sky is blue with scattered white clouds.

Together Again: July 31 - August 4, 2022 in Portland, Oregon

M&M 2022 Call for Papers

SUBMIT your paper **December 7, 2021**

SUBMISSION DEADLINE **February 15, 2022**

**SUBMISSION
DEADLINE:
February 15,
2022**

Don't miss **1,000+** scientific plenary, platform and poster presentations in addition to short courses, tutorials, workshops and industry-leading exhibitors showcasing their latest technologies.

Three featured Pre-Meeting Congresses:

- 6th Annual PMC for Students, Post-Docs, and Early-Career Professionals in Microscopy and Microanalysis
- FIG Pharmaceuticals - Pharmaceutical, Biopharmaceutical, and Medical Health Products
- FIG EMLG - Real World Data Analytics & Quantitative Liquid and Gas Environmental Electron Microscopy
