Microscopy & Microanalysis Meeting

The Largest Meeting and Equipment Exhibit Dedicated Solely to All Aspects of Microscopy and Microanalysis

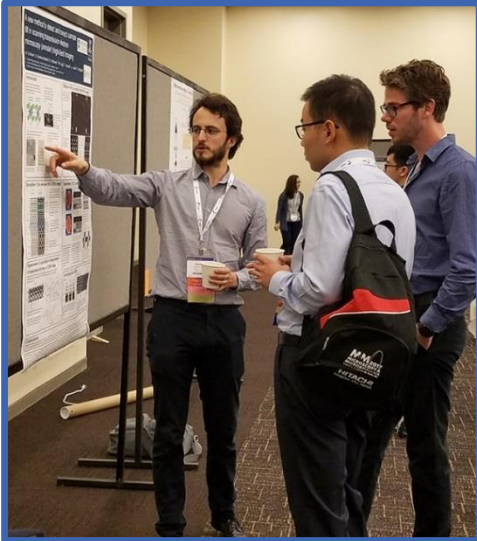

- ~ 1400 scientific papers
- ~ 3000 attendees
- > 100 exhibitors
- Meeting travel awards for students, post-docs, technologists
- Short courses, tutorials, in-meeting and pre-meeting workshops, vendor tutorials
- Members receive reduced registration rates and course fees

MSA Student Council

Creating dynamic programming for students, postdocs, & early career professionals

- Launched PMCx60 in 2017!
- Leadership opportunities
- Networking events
- Social activities

PMCx60

Pre-Meeting Congress Attendees

Baseball Game

Journal and News Magazine

CAMBRIDGE JOURNALS

Microscopy and Microanalysis Journal

- A Leading Journal in the Microscopy Field
- 8000 Institutional Subscribers Worldwide
- Official Journal of 9 Microscopy Societies
- ~30 Original Research or Review Papers per Issue
- **Free** to All MSA Members

Microscopy Today News Magazine

- 18,000 Subscribers
- **Free** to All
- Contains Research and Instrumentation Articles, Industry News, Product News, Meeting Calendar, NetNotes (Ask an Expert), Humor
- Subscribe here: www.microscopy-today.com
- **MT Innovation Awards** for Technology Development

Free monthly *MSA Update* e-newsletter

Reston, Virginia 20191

M&M 2017

Many thanks to all who attended M&M 2017 in St. Louis! Check out this [album of some of the best photos](#) from the event. Don't forget to mark your calendars for M&M 2018, taking place in Baltimore, Md from August 5-9, 2018.

Services, Connection, and Growth

- **Local Affiliated Societies:** more than 20 active grass-roots societies, MSA tour speakers, meeting grants
- **Focused Interest Groups:** 11 Focused Interest Groups for members only
- **Placement Office:** resume and employment opportunities, available online and at Microscopy & Microanalysis meeting
- **Education Committee:** vendor tutorials, short courses, CEMU credits at reduced rate for members, undergrad research grants, K-12 outreach
- **Certification Board:** Certified Electron Microscopy Technologist (CEMT) credentials, reduced rate for members
- **Student Council:** **NEW!** fosters student growth and development
- **Technologists' Forum:** provides special programs at M&M meeting, competitive travel awards for MSA member technologists
- **MSA Listserver:** e-mail based discussion forum to which questions/comments/answers in the various fields of microscopy or microanalysis can be rapidly distributed to a list of subscribed users

MSA Focused Interest Groups*

- 3D EM in Biological Science
- Aberration-corrected EM
- Atom Probe
- Cryopreparation
- Diagnostic Microscopy
- Electron Crystallography
- EM in Liquids & Gases
- Facilities Operation
- Focused Ion Beam
- Pharmaceuticals
- Microanalytical Standards (joint FIG with MAS)

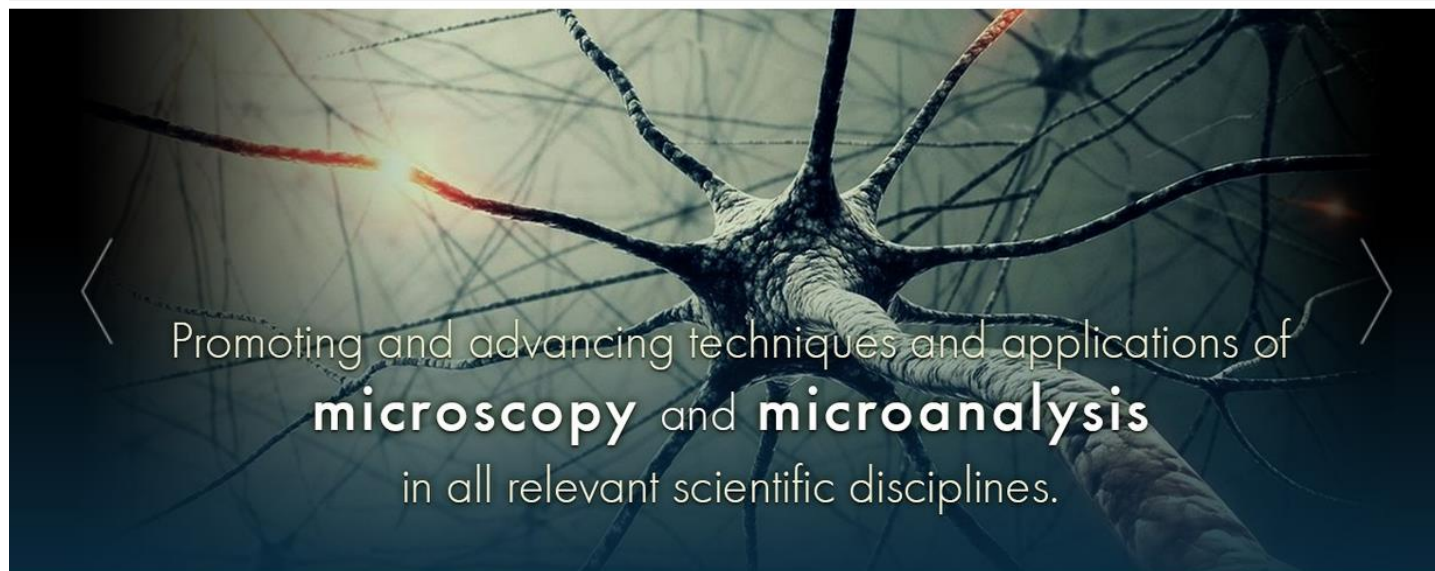

* for members only, \$10 per year per group
– Students may join one FIG free per year!
